GENERAL PROVISIONS

1. A deposit in an amount to be determined by the City (minimum \$200.00) shall accompany this application. If proper repair is made and accepted within 10 days, the deposit will be refunded. If proper repair is not completed within 10 days, the City will make the repair and the deposit will be forfeited. A \$25.00 administrative fee is non-refundable.
2. All utilities must be installed under culverts.
3. During the progress of the work, such barricades, lights, and other traffic control devices shall be erected and maintained as may be necessary or as may be directed for the protection of the traveling public. Said barricades, lights, and other traffic control devices shall conform to the current issue of the manual on uniform traffic control devices for streets and highways. Parked equipment and stored materials shall be as far from the travelway as feasible. Items left overnight within 30 feet of the travelway shall be marked and/or protected.
4. In accepting this permit, the permittee, its successors, and assigns, agrees to hold the City harmless from any and all liability on account of the erection, installation, construction, maintenance, or operation of the facilities located under this permit.
5. Any disturbance of the traveled surface of the road and/or traffic control devices, shall be restored to the satisfaction of the City. Permittee shall be responsible for proper pavement cut, excavation, backfill, compaction, and asphalt repair. Asphalt repair shall be in accordance with standard drawings.
6. If the work done under this permit interferes in any way with the drainage of the highway, the permittee shall wholly and at his own expense make such provision as the City may direct to take care of said drainage.
7. On completion of said work herein contemplated, all rubbish and debris shall be immediately removed and the roadway and roadside shall be left neat and presentable to the satisfaction of the City.
8. All of the work herein contemplated shall be done to conform with the current government and industry standards under the supervision and to the satisfaction of the City and the entire expense of said supervision shall be borne by the permittee.
9. The City hereby reserves the right to order the change of location or the removal of any structure(s) or facility(ies) authorized by this permit. Said change or removal to be made at the sole expense of the permittee, or its successors and assigns.

10. All such changes, reconstruction, or relocation by the permittee shall be done in such a manner as will cause the least interference with any of the City work.
11. This permit shall not be deemed or held to be an exclusive one and shall not prohibit the City from granting other permits or franchise rights of like or other nature to other public or private utilities, nor shall it prevent the City from using any of its roads, streets, or public places, or affect its right to full supervision and control over all or any part of them, none of which is hereby surrendered.
12. The City may revoke, amend, amplify, or terminate this permit or any of the conditions herein enumerated if permittee fails to comply with any or all of its provisions, requirements or regulations as herein set forth or through willful or reasonable neglect, fails to heed or comply with notices given, or if the utility herein granted is not installed or operated and maintained in conformity.
13. The permittee shall maintain at his sole expense the structure or subject for which this permit is granted.
14. Adequate drawings or sketches shall be included showing the existing and/or planned location of the City improvement, the traveled way, the rights-of-way lines, and where applicable, the control of access lines and approved access points.
15. If trench or pavement settlement should occur within two years from the date of installation, repairs shall be made by the permittee as directed by the City at no cost to the City. If the permittee fails to make the necessary repairs the City will make the repairs and bill the permittee. No permits shall be issued to the permittee until such claim has been settled.
16. No work shall be started until an authorized representative of the City has given notice to the permittee to proceed. Permittee shall notify the City to schedule a time for road closure and opening. If the work will prevent emergency traffic from traveling through, the Canyon County Sheriff's office must be notified.
17. A bond in the amount of 110% of the contract consideration is required for the protection of the City as set forth in the terms of the bond
18. Any replacement of, addition to, or change in the facility granted by this permit shall require a new permit prior to initiation of such work.
